Let's Try!

これはアヤが書いたスピーチ原稿です。❷ Body (展開)、❸ Closing (まとめ)を段落分けするとしたら、どこから分けたらよいだろう。適切なところに番号を書き入れてみよう。また、あなたも「最近新たに知ったこと」というテーマでスピーチ原稿を書いてみよう。

I'll talk about Asahiyama Zoo in Hokkaido. It's very popular now.

But it was not in the 1990s. I didn't know that. The zookeepers at the time wanted to change the situation. So, they imagined the dream zoos first. In the dream zoos, people can see the animals from very close.

The animals move, swim or fly in natural situations and people can enjoy them. The zookeepers tried hard. In 1997, their dream came true at last. After that, the zoo became popular. I learned that to imagine is very important. I will continue to imagine and try hard for my dream. Thank you for listening.
