We should have school on
Saturdays.

Teachers should give us
a lot of homework.

Doraemon is good for Nobita.

Junior high school students
should do volunteer work.

All the junior high school
students should join
a club activity.

Junior high school students
should read more books.

It is important for even kids
to learn how to use
a computer.

It is important for even kids
to learn English.

Stores should be closed
late at night.

Japanese people work
too much.

Junior high school students
should wear school uniforms.

Our school should have
more school events.

We should have more than
two months of
summer vacation.

School lunches are better
than boxed lunches.

It is better for junior high
school students to live in
the city than in the country.
